

# Health Care Coverage through CHCBP (10 U.S.C. 1078a) for Spouses and Former Spouses

Note: Rates and regulations change periodically. As of 2014 there is a requirement for unlimited CHCBP that the divorce occur *after* the SM's retirement, but this is not being enforced. Do not rely on this chart as a full and final explanation of CHCBP. Consult a competent and experienced attorney for current answers to your questions.
